HEARING EXAMINER'S ACTION:

In this telephone certificate reinstatement matter, the South Carolina Office of Regulatory Staff ("ORS") has informed the Commission that it does not contest the relief sought by the Applicant Legacy Long Distance International, Incorporated ("Legacy" or "the Company"). Accordingly, the matter is now uncontested. Counsel for the Company has agreed to furnish verified testimony so that the matter may be considered by the Commission without formal hearing at this time. Accordingly, the hearing in this matter is continued, and the Commission will consider the relief sought by Legacy at an Agenda session. This Directive is not intended to prevent the Commission from setting the matter for hearing again if it so directs.
